

Washington Track Weekly 2008

For the 12th year in a row, Washington Track Weekly will publish an exclusive high school track and field newsletter for coaches, athletes, media and fans across the state. As always our primary goal remains to provide a quick, accurate service that is reliable and on time.

We will again produce 11 issues on Tuesdays throughout the regular season, running March 18 to May 20, followed by a post-summer wrap-up published in August. Features include 20-deep state performance lists for boys and girls (all classifications combined), timely weekly results from all the state's top meets, invitational schedules, athlete profiles, news and notes.

Cost for the newsletter is once again \$20 and is available via e-mail and regular mail only (no FAXs). E-mails can be opened with Adobe Acrobat Reader and are sent out around mid-day on Tuesdays. Regular mail issues usually arrive Wednesday or Thursday.

Join now and don't miss a single issue!!!
