Entry Specifics

- List varsity race participants in rank order (fastest first, next fastest second, etc.).
- Varsity participants will be assigned to races according to the ranking.
- Races will be run in reverse order. The fastest race will be the last race.
- Teams will be drawn into lane assignments for races in the order entries are received. Late entries will be assigned the next vacant spot. Lane assignments will be distributed at the coaches' meeting.

Event Specifics

- The total elapsed time of the five fastest times will determine the winning team.
- Race changes are permitted. Participants will be moved up accordingly to maintain the correct ranking.
- In the event of a tie the times of the sixth and seventh place finishers will be used.
